WE DEDICATE

This was the first year of football at Eureka High School. We proudly dedicate this yearbook to the success of football. We hope that it will contribute to the educational program by developing attitudes of fair play, healthy competition and sportsmanship among the team members, coaches and fans.

There were no bleachers, but the fans came and stood, sat on the ground, or brought their camp stools.

The boys on the team practiced hard and played well. They were thrilled with victory and gracious in defeat. The coaches were sincere and dedicated.

BOARD OF EDUCATION

Robert T. Geggie, W. H. Friedrichs, Robert Galyon, T. W. Wissore, Jr., Ray H. Collins and George A. Craft.

Since our school district is one of the largest in area in the state of Missouri, the Board of Education deals with the usual problems of a suburban area and problems unique in our own community.

Massive transportation, increasing enrollments and additional buildings and construction are only a few of the problems which require many hours of discussion and decisions.

This year a bond issue was passed to construct three new elementary schools, an addition to Lafayette high school and modernization of our own high school.

Mr. Geggie, who is a retired farmer, has been on the Board of R-6 since it was reorganized in 1949; and has served on the Eureka board previous to that.

Mr. Friedrichs has been a member of the Board since 1963. He is a pharmacist and owner of Schraeder Drug Store in Ballwin.

Mr. Galyon, vice-president, is a brick contractor who has been a member of the Board of Education since 1962.

Mr. Wissore, Board of Education president, is a supervisor at McDonnell aircraft, the largest single employer in the state of Missouri. Mr. Wissore was elected in 1962.

Mr. Collins, secretary, has served on the Board of Education since 1962. He is a supervisor for Southwestern Bell Telephone Company.

Mr. Craft, treasurer, is employed at McDonnell aircraft and has been a member of the Board of Education since 1961.

Mrs. Leota Ziegenmier
Mr. Robert Stanton
Mrs. Minnie Mosher

ADMINISTRATION

Mr. Selvidge, superintendent, Mr. Stanton, administrative assistant and Dr. Creason, business administrator, and their secretaries are known as the central office staff.

Mrs. Ruth Ann Kruger serves as secretary to Mr. Selvidge and the Board of Education among her numerous duties.

Mrs. Ziegenmier as secretary to Mr. Stanton is responsible for all the cafeteria, transportation and attendance reports.

Mrs. Gorman, secretary to Dr. Creason, processes all orders and invoices.

Mrs. Mosher operates the switchboard, does payroll and other duties.

However when you need the help of the central office you will find anyone of the staff ready and willing to help.

Mrs. Linz as secretary in the high school counseling office keeps the daily attendance record, as well as, data on all of the students. Students appreciate her friendly manner and willingness to help.

As the year drew to a close, the Seniors of 1964 happily looked back over their high school years and carried with them many fond memories of E.H.S. and agreed that their senior year had been the most fun and the hardest work.

During the summer before school began, senior pictures were taken. The greatest problem with this was trying to decide which of the several proofs was the best one.

September 12, marked that official senior day--the rings came! A long line converged on Room 16 that morning, and to each senior his ring was different and had to be shown to everyone.

Heading the Student Council this year were Jim Ziegenmier and Mel Allison. Jim also headed the National Honor Society. The Senior class had other members who were presidents of the various school clubs, too. Larry Richardson presided over F.T.A. this year; Diane Dickey headed G.A.A.; guiding F.H.A. was Janice Prater; and Dave Workman was president of the Lettermen's Club. The Senior class officers this year were Larry Stone, Mel Allison, and Judy Netscher.

This year, for the first time, several Seniors attended classes at St. Louis County Technical School in Berkley. These students attended each school half of the day. This school increased the scope of our high school program.

These crazy kids, the Seniors, were constantly coming up with new ideas and fads and continuing the already established ones. Remember Poodle Ears Day, Senior Black Day, Tacky Day, and all the others.

Of course, the Seniors led a glittering social life. The lovely girls of the Senior class have graced the courts of the school parties this year. One of these girls was Sharon Stevenson who was queen of the Crystal Ball Music Party.

On May 14, the senior class presented the Senior Play. After many weeks of practice under the direction of Miss Johnson, the Seniors presented their work to a large crowd.

On June 1 was the Senior Assembly. The Senior Assembly took on a note of dignity as the Seniors came into the assembly with caps and gowns. At this time the Seniors also received any individual awards. This assembly proved enjoyable to everyone.

One of the traditions of our school is the Junior-Senior Basketball Game played this spring. This was a very lively game and it was hard to predict who the victors would be.

This spring the senior committee selected the graduation announcement and cards. The Seniors placed their orders and waited in anxious anticipation for June 4, Commencement. Baccalaureate services were held May 31. One of the great moments of this Senior year was the Senior picnic June 3. Everyone agreed that it was worth waiting all these years for.

Juniors at Eureka High School always enjoy a busy, exciting year, and this year was no exception. The kick-off activity for the class was the presentation of "Second Fiddle" which was performed for a large audience on a very rainy November 21. This weather, however, did not dampen the enthusiasm nor the enjoyment of the play-goers. Another traditional junior activity, the junior-senior basketball game, was played in the spring.

The traditional junior-senior prom, April 25, proved to be a wonderful experience for the junior class. The junior prom committee was chosen early in the fall by the junior sponsors, Mrs. Eisenhauer, Mr. Lewis, Mr. McDonald, Mrs. Ritter, and Miss Smith. This year the committee was divided into several subcommittees, including decorations, entertainment, coronation, refreshment and invitation committees. "Wonderland" was the theme this year.

Another highlight almost as great as the prom, is the ordering of senior rings. This event took place in the latter part of April, and gave the juniors a real feeling of becoming seniors.

Shy, scared, and bewildered, is the way all freshmen enter high school and Eureka's new group was no exception.

"Where's Room 4, how can I make it to the art room in four minutes, is that teacher severly strict?" These were just a few of the questions the scared freshmen asked at the beginning of the year. But as the year drew to its close the contributions of the freshmen were already recorded and the members of the class looked forward to the more exciting years of high school to come. The freshman class sponsors were Mr. David, Miss Harttman, Mrs. Kenning, Miss Pierce, Miss Williams, and Mr. Young.

For underclassmen, this average is based on both semester's work and is awarded in the fall of the next year. The seniors receive their letters at an assembly in the spring, and their average is based on the first three quarters.

Students receiving a letter for more than one year receive a chevron to attach to the letter. Many of the letter winners proudly display them on letter sweaters.

At the beginning of this school there were four senior members; and in the fall, four more seniors were elected. More seniors and some juniors were elected this spring. These juniors will form the nucelus of next year's organization.

The big events of this year were the two initiations and the Eleventh Annual Reunion Banquet. The two initiations were in the fall and in the spring. The Reunion Banquet was held during the Christmas vacation on Monday, December 30.

The sale of sew-on megaphones for pep club shirts was instigated this year, as well as the sale of pom-poms. The four new megaphones purchased this year aided in the enthusiastic support of the teams. At the end of each year the cheerleaders and officers of the pep club present a placque to the student chosen for the individual sportsmanship award.

One of our schools most active clubs is Future Homemakers of America. All of the meetings are planned before the beginning of school by the new officers. A program book is then prepared by the vice-president and distributed to the members. Some F.H.A. activities this year were a get acquainted picnic and a western party. Their acts of charity were food baskets at Thanksgiving and gifts for children at Christmas. One of their most memorable visits this year was to the Missouri School for the Blind. The biggest contribution to the school is the Buzz Books.

F.H.A. is very active and provides a variety of enjoyment for many girls in our school.

Officers: Marilyn Baron, Linda Huskey, Judy Mueller, Mary Ellen Weiss, Janice Prater, Rosemary Fritz, Judy Branson, Betsy Niehoff, Linda Benson.

The Susan Blow Chapter of the Future Teachers of America was started at Eureka High in 1954. Since then this club has advanced steadily in membership and activities during the years. The meetings this year, held every first Wednesday of the month, were highlighted by interesting talks from guests. Members participated in discussions of problems and offered solutions. They planned an educational trip to Lincoln's home for this spring. Tag Day, held in April--teaching career month, is another star on the F.T.A. agenda. On Tag Day the F.T.A. members take donations of a dime or more and give the receipts to the PTA scholarship fund. This money is then awarded to a deserving student for college expenses. The SLSTA workshops for F.T.A. members proved very beneficial. The Future Teachers of America Club is open to any student who plans to attend college. The sponsors for the F.T.A. this school year were Miss DuLany and Mrs. Ritter.

F.T.A. Officers

SPORTS

BOTTOM ROW--Jim Devine, Joel Sumner. SECOND ROW--Coach Capehart, Martin Pemberton, Fred DeSalme, Rick Vollmer, Glenn Scheel, Mike Miller.

Mike Miller was counted on at bat.

Since baseball is a spring sport and its schedule is too late for report in the annual we gathered some of last year's team to pose before baseball practice got underway.

Mr. Capehart coached the team this year.

GOLF GAINING IN POPULARITY

Golf team--Bob Trejbal, Larry Campbell, Fred De Salme, Bill Buder, Rick Bell, Mike Gaut.

Duwe Golf Course offers its facilities for the use of our golf team. Team play was organized in the spring of 1963 so the competitive schedule has been limited.

Games were played at Duwe, Pacific West-Par courses against teams from Lafayette.

The team is coached by Mr. Nelson.

TRACK REALIZES NEW INTEREST THIS YEAR

The Eureka High track team both Junior and Senior divisions participated in far more than the usual number of track meets. Over 60 boys were out for the team this year. Before this year track had always been a sport to fill in between basketball and baseball, this year the sport was treated as important as any other.

A track meet consists of various events divided into two catagories, track and field.

FOOTBALL ADDS ANOTHER SPORT TO OUR SCHOOL

Managers--Dayle Schoessel, Larry Richardson, Larry Stone.

Since this is the first football team of Eureka High, we played only junior varsity teams. The season was short with many a thrill and some disappointments. The team and the coaches worked very hard to make a good team, and the graduating players are leaving behind boys who are very capable of doing the job in the coming seasons. The games were attended by many people even though some of the games were away; the Potosi game was under the lights. There were no bleachers or grandstands to accommodate home crowds, so they brought their own chairs or stools or sat on the ground. Although the balmy weather that prevailed during the football season was very pleasant for the spectators, it made it very uncomfortable for the players on the field.

The 1963-64 basketball season this year was a big success. The boys started practice the last of October and worked hard until the end of the basketball season in March. Although our basketball team didn't win as many games as everyone would have liked them to win, they fought hard throughout every game and displayed good sportsmanship. This is the second year that Eureka has won their homecoming game. Dave Workman was chosen for the South County all-star team.

The 1963-64 basketball season for the junior varsity started the season off with a bany by winning their first two games. The boys played hard and quick all season long, losing several games by only one to two points. In many games the boys just couldn't seem to click, but they never showed any signs of unsportsmanshiplike conduct. All the games were exciting and played with much enthusiasm.

CHEERLEADERS SPARK ENTHUSIASM

The cheerleaders for the 1963-64 Football and Basketball season for Eureka High were chosen last spring by the student body. To prepare for the important position given these girls attended the cheerleading clinic at University City during the summer. There they learned new cheerleading techniques and methods to help the school to good sportsmanship. These girls did a fine job throughout both seasons. They were awarded a delicate chain necklace with a small megaphone charm on it in appreciation for a hard job well done.

VESPERS DEPICT CHRISTMAS CUSTOMS

The Vesper Service, which started more than fifteen years ago, has become an annual event to look forward to by the music department. Preparation for the service began early in November with the choir and glee clubs learning their songs and picking soloists. The week before the service is always very hectic for both the music department and the stage crew, since everything has to be ready for the dress rehearsals the morning of the program.

This year we almost didn't have our annual service. It was originally scheduled for Wednesday and Thursday, December 11 and 12, but a heavy snow on Wednesday forced postponement until the following Sunday, December 15. Only one service was held this year instead of the usual two.

The theme of Vespers was Christmas in an American home which is depicted on this page. A large crowd attended to hear the choir and glee clubs sing and to see the beautiful pagentry on the stage. Among the scenes depicted were a department store window, the Mexican tradition, French customs, the German Heritage, the American television, the Holy Family, the shepherds, angels, the wisemen and the Adoration.

"Second Fiddle," a farce in three acts was chosen for the junior class play. The play was presented Thursday night, November 21, in the Eureka Junior-Senior High School.

The production was directed by Miss Eleanor Johnson.

"Tonight," sung by the entire cast, was the finale of Co-ed Capers.

CO-ED CAPERS EXHIBITS MUSICAL TALENT

Janie Linz tells Doug Newsom that she can do anything better than he can.

Co-ed Capers, a musical comedy in two acts, was presented by the choir on Friday, Mary 6. The main theme was the fun, love life, and hazards of campus life of Everglades College in Florida. The musical was climaxed by the coming of a tornado, but everything worked out all right; and the story had a happy ending. The comedy was written mainly by Miss Williams, but Miss Harttman and students from choir helped. Many of the familiar hits were sung throughout the program, some of which were solos and duets.

You can't get a man with a gun.

Everglades students prepare for the Tri-Phi dance.

Students join Ron Durbin and sing "Climb Every Mountain."

Joe Feager surely has more than a little bit of luck.

Some of the Mums, Ann Jones, Donna Isgriggs, Doug Newsom, and Don Hill sing "Strangers in Paradise."

Larry Richardson tells Mike Manuel, Betty Becker, and Mary Ellen Weiss about the upcoming football game.

Howard Bell and Rick Vollmer show how they could have danced all night.

Larry Richardson and Betty Becker sing "People will Say We're in Love."

By helping Sharon Stevenson, Joe Feager wins her admiration.

Before bedtime, sorority sisters join together in song.

200 YEARS OF FASHION SHOWN

Since the bicentennial was a big event in the St. Louis area, the home economics girls chose 200 years of fashion as the theme for their show. Scenes ranging from the founding of St. Louis to the present day metropolis were shown on stage. The outfits of today were sewn by the girls in class.

MUSIC STUDENTS ENJOY THE CRYSTAL BALL

A gypsy camp was the scene of the annual Music Party held on November 16. When the fortune teller entered into her tent early in the evening, a long line converged to have their palms read. Highlight of the evening was the crowning of the Queen and King of Music. Each member of the royal court was chosen by the music students from each of the music classes. The Queen and King of Music were Sharon Stevenson and Jim Ziegenmier.

STAFF WE COULD

Bus Drivers--Fred Arnold, Thomas Taylor, Urban Rock, Toby Whittaker, Ed Bergman.

No school would be complete with just the faculty and student body.

What would we do without the busses and drivers who transport most of our students to school? The busses travel over 282,568 miles per year. They must leave very early in the morning in order to have all the students to school on time. They also drive the busses for all of our extracurricular activities. Our district now has its own maintenance garage for the busses in Pond. This year the district maintained a fleet of 32 busses.

Custodians--Mr. Irvin Stevens, Mr. Isidore Blechle, Mr. Lester McMullin, Mr. John Smith, Mrs. Mildred Sutton.

Everyone wonders how we would manage without our custodians.

They have a big job keeping the school buildings and campus clean. Long after our school day is over the custodians are still working hard cleaning up after everyone. They are always on hand at the night activities to see that everything goes smoothly. They help with scenery backgrounds, and equipment. Most of all we appreciate them when we discover we need something at the last minute.

NOT DO WITHOUT

Everyday the cafeteria staff prepares and serves a hot lunch to the students and faculty. Last year they served 64,704 meals. They are always friendly and ready to help out with other activities. Mrs. Harness, pictured with the staff, does not work only with our cafeteria. Her job includes the whole district. She plans the menus and does the purchasing for the cafeterias in all of our ten schools.

Cafeteria Staff: Mrs. Marie Huskey, Mrs. Leota Dickey, Mrs. Maureen Harness, Superviser of the R-6 cafeterias, Mrs. Annie Pullen, Mrs. Emilie Gudermuth, Mrs. Min Kendall.

Mrs. Jenson, our school nurse, is a much appreciated person around our campus. She serves other schools throughout the district also. Her office is in the junior high office suite and she is available to our students on Tuesday. Mrs. Jenson is always ready to help out if someone gets hurt or becomes ill. Mrs. Jenson takes care fof all of the health records for the students. This year, Mrs. Jenson also organized a Future Nurses of America club for the high school girls interested in nursing.

School Nurse: Mrs. Lora Jenson.

To one of the most intelligent girls I know. Good luck and have a very nice summer. See you next term.

SPRING CONCERT IS SUCCESS

"Music For A Summer Evening" was the name chosen for the spring concert presented by the music department last spring.

A wide variety of songs and skits were performed in elaborate settings.

The group of sailor boys will be remembered for their rendition of "There Is Nothing Like A Dame" in a South Pacific setting.

Kenny Hutchinson's interpretation of Al Jolson singing "Mammy" was a hit.

Kathleen Milton twirled the baton to the accompaniment of a lively Spanish tune.

Another boys' ensemble that will be remembered is the group who sang "Little Liza Loves You" and "Holla Hu! Holla Ho!"

The musical staff and noted provided an appropriate background for the guitar duet "Jericho Road," one of the instrumental numbers.

Howard Langworthy, Rickey Curtis.
